

WATER LEAK ADJUSTMENT FORM

Blackland Water Supply Corporation will consider requests for adjustments on water bills due to a leak after the consumption is over 60,000 gallons. The water bill must be paid in full before an adjustment will be considered. The customer must have at least three (3) months of billing history at the service location where the leak occurred in order to be eligible for an adjustment. This form along with a plumbers receipt must be submitted for an adjustment to be considered. If an adjustment is allowed, the water consumption to be adjusted will be charged a cost of \$7.35 per 1,000 gallons. Only one (1) water leak adjustment is allowed during a 12 month period. You will be notified by the office within 14 business days of receipt of this request if you are eligible for an adjustment.
